Classic wooden monkey bars always provide a challenge to all ages whether being used for exercise or play. The most fun way to develop upper body strength and stamina outdoors. A fantastic piece of outdoor CrossFit equipment for adults and great piece of playground equipment for kids.

The solid oak and stainless steel components make these monkey bars durable, solid and beautiful to look at. All corners and edges are chamfered round and smooth with 20mm radius, making them tactile and appealing.

Our wooden monkey bars are adaptable to suit your individual needs. If you need us to raise or lower the cross beam we can do that for you.
